Boskie v. Backgroundchecks.com LLC, No. 2019CP3200824

Affected Member: Brittanni Maurissa Jovan Wright (Toussaint is Maiden name)

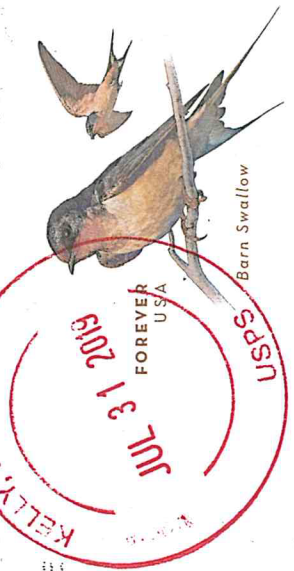

I object to what and how information is obtained and able to received. Where there is no conviction, there should be no information disclosed or shared unless authorized by each individual as it is easy to be shunned upon on the basis of a charge. It is also crucial in noting that anyone is subject to being charged whether guilty or innocent. In addition, to unwarranted charges, there is the stress of sealing and expunging a record. I object to structure of this said data base in the *Boskie v. Backgroundchecks.com LLC*, No.2019CPE200824

If time permits, I will appear for court proceedings. I am a postal employee and have to operate a one woman office. So, if I am unable to appear, it is because I cannot have someone provide relief for me.
