Boskie v. Backgroundchecks.com LLC, No. 2019CP3200824

Affected Member: Gregg Markus Wright

I object to what and how information is obtained and able to received. Where there is no conviction, there should be no information disclosed or shared unless authorized by each individual as it is easy to be shunned upon on the basis of a charge. It is also crucial in noting that anyone is subject to being charged whether guilty or innocent. In addition, to unwarranted charges, there is the stress of sealing and expunging a record. I object to structure of this said data base in the *Boskie v. Backgroundchecks.com LLC*, No.2019CPE200824

If time permits, I will appear for court proceedings. I am a US Army Communications Chief and I am currently deployed and will be unable to attend as I am set to return from deployment in November 2019. I will be notified of all proceedings via my ex-wife. Thank you.
